A BIRD IN THE HAND.
On a cabbage patch owned by a negro in a Southern community oil was found. Speculators offered the negro \$20,000, which was accepted without waiting to consider another proposition, said to be worth \$40,000.
"What is this about your cabbage patch?" inquired a neighbor of the negro. "I understand you have sold it for \$20,000?"
"Yes, that's true, boss," replied the negro. "You see, men come picking round my place, an' dey say dar's oil heah. Dey say 'We bid you' \$20,000.' I say 'All right.'"
"I am told it you had waited a day or two you might have sold it for \$40,000."
"Yes, dat maybe so; but a bird in the hand's th' nobles' work of God."—Boston Post.

QUICK RESULTS.
It is seldom necessary to take a second dose of Dr. Miles' Anti-Pain Pills. One pill will, in most cases, relieve all distress caused by headache, backache, neuralgia, nervousness, car-sickness, stomach ache, etc. When not entirely relieved, take another in 30 minutes. That's about the limit to which you endure pain. 25 doses, 25c. Never sold in bulk.

REPUBLICANS ON HAWAII

ORGANIZE FOR THE COMING CONTEST ON THE BIG ISLAND—LIST OF OFFICERS ELECTED.

The following is from the Hilo Tribune of July 24 and shows what the Republicans did on the big island:

The Fourth Precinct Republican Club held its regular election of officers Friday evening at Freeman's Hall, pursuant to the meeting of the week previous at which nominations had been made. President I. E. Ray was in the chair and H. A. Lyman, Jr., secretary. The following officers were elected: President, I. E. Ray; vice-president, Charles Akau; second vice-president, Z. Mahalia; secretary, R. A. Lyman, Jr., asst. secretary, B. H. Brown, Jr.; treasurer, P. C. Beamer; executive committee, J. K. Paahao, N. K. Lyman, B. F. Schoen, J. K. Lo, W. Fernandez; judges of election, W. H. Beers, W. Harbottle, M. M. Springer. There were several nominations for each of the officers but harmony and the best of good nature prevailed, the only ripple on the otherwise placid surface being a speech by Wm. Ebelling opposing the adding of the name of W. Fernandez to the list of nominees for members of the executive committee in place of Joseph Vierra, who wished to withdraw. The name was added to the list with that of Ebelling and the others. Mr. Ebelling himself after all voting in favor of so doing.

Semi-official reports of the result of Republican precinct club elections throughout the island have been received by R. A. Lyman, Jr., chairman of the Republican county committee. In one precinct the meeting was adjourned for one week. Officers elected are as follows:

KILLED BY AN ELEVATOR CAR

FREDERICK WILLIAMS PORTER OF YOUNG HOTEL KILLED YESTERDAY MORNING.

Frederick Williams who has been employed as the porter and runner for the Young Hotel, was killed yesterday morning about 10:30 o'clock as the result of an accident in one of the elevators of the hotel. Williams was working on the second floor of the makai end of the buildings. He was to take the elevator down to the basement but evidently changed his mind and decided to start the cage down and get out of the elevator, depending upon the automatic stop in the basement to check the speed of the machine.

Williams started the machine and then tried to get out of the cage. He was caught between the descending cage and the floor. He fell back after the cage had passed, on to the top of the cage, his body was jammed between the edge of the cage and the side of the shaft.

The remains were removed to the undertaking parlors of H. H. Williams from where the funeral was held today. The following verdict was returned by the coroner's jury yesterday:

"That we find that the deceased, Fred Williams, was a native of America and aged about 56 years; that he came to his death on the said 29th day of July, A. D. 1906, at Honolulu, County of Oahu, Territory of Hawaii, by falling down the elevator shaft of the Young Hotel, striking the top of the elevator cage, causing fracture of the skull and instant death."

The deceased was formerly baggage porter on the S. S. Sonoma and S. S. Alameda and was also employed on the S. S. Australia when that vessel was captured by the Japanese during the recent war. The deceased had been employed by the Young Hotel since the first of the year. He was a person who had made many friends during his residence here and his death was the cause of much regret. He leaves a son who is married and is living in New York. Both of the Williams had served through the Spanish War in a New York regiment.

CAMPS CONFIRM GREELY'S FIGURES

GENERAL ESTIMATES THAT THE POPULATION OF SAN FRANCISCO IS 375,000 TODAY.

SAN FRANCISCO, July 12.—"I told the people in Los Angeles that there were 375,000 people now in San Francisco they were surprised," said General Greely yesterday. "They seemed to think I was rather enthusiastic about San Francisco; but I am convinced that there are that many here now. There are very few vacant houses and the camps are full of people who would rent a home if there were any vacant flats within their means. On the train on which I came up from the south I was rather surprised to see that nearly all of the passengers came through to San Francisco. Many of them were anxious to know if there were hotel accommodations."

The estimate of General Greely seems to be substantiated by the conditions in the camps. The camp commanders whose camps are in the central parts of the city report that every available inch of space is covered with a tent.

"I could take in 300 people in a day at Hamilton square if I had any place to put them," said the commander of that camp, "and almost every man in the camp is at work."

On the vacant land adjoining Franklin square another aspect of the congested condition in the unburned district is shown. On land owned by John Center and R. F. Morrow 500 refugees have camped. They are refugees in the sense that they have no houses. Most of them have work. Now the owners of the property are asking the refugees to vacate, and the question arises as to where they can go. Major Gaston says that the only place where they could be accommodated is at Harbor View; but, as that would leave them miles from the places where they have found work. It is not considered a practicable plan.

Commissioner Moran, who investigated the matter yesterday, said that the commissioners had no authority to make the campers leave private land, and that meantime it would be necessary to make some sanitary provisions on these lots.
